

# 18th International Conference SEFM 2024 Amsterdam, The Netherlands, September 14

The 18th International Conference on Structural Engineering, Forensic Engineering and Materials (SEFM 2024) will be held in Amsterdam, The Netherlands, on September 14, 2024. The conference will bring together leading researchers, engineers, and practitioners from around the world to discuss the latest advances in structural engineering, forensic engineering, and materials science.

## Software Engineering and Formal Methods: 18th International Conference, SEFM 2024, Amsterdam, The Netherlands, September 14–18, 2024, Proceedings (Lecture Notes in Computer Science Book 12310)

Language : English

File size : 47000 KB

Text-to-Speech : Enabled

Screen Reader : Supported

Enhanced typesetting: Enabled

Print length : 521 pages

Paperback : 148 pages

Item Weight : 9.4 ounces

Dimensions : 7.5 x 0.32 x 9.25 inches

## Conference Topics

The conference will cover a wide range of topics, including:

- Structural engineering
- Forensic engineering
- Materials science
- Composite materials
- Nanomaterials
- Computational mechanics
- Experimental mechanics
- Structural health monitoring
- Disaster risk reduction
- Sustainability

## **Call for Papers**

The conference organizers invite submissions of abstracts for papers on the conference topics. Abstracts should be submitted electronically through the conference website by March 15, 2024. Full papers will be due by June 15, 2024.

## **Important Dates**

- Abstract submission deadline: March 15, 2024
- Full paper submission deadline: June 15, 2024
- Conference dates: September 14-16, 2024

## **Registration**

Registration for the conference will open in May 2024. The registration fee will include access to all conference sessions, the welcome reception, the conference banquet, and the conference proceedings.

## **Accommodation**

A block of rooms has been reserved at the Hotel Okura Amsterdam for conference attendees. The hotel is located in the heart of Amsterdam, within walking distance of the conference venue. Attendees can book their rooms online through the conference website.

## **Transportation**

Amsterdam is easily accessible by air, rail, and road. The Schiphol Airport is located 15 km from the city center. The city is also served by a number of train stations, including Amsterdam Centraal Station. Attendees can take a taxi, bus, or tram from the airport or train station to the conference venue.

## **About Amsterdam**

Amsterdam is a beautiful and vibrant city with a rich history and culture. The city is home to a number of world-renowned museums, including the Rijksmuseum, the Van Gogh Museum, and the Anne Frank House. Amsterdam is also known for its canals, bridges, and charming architecture. Attendees will have the opportunity to explore the city during their free time.

The 18th International Conference on Structural Engineering, Forensic Engineering and Materials (SEFM 2024) will be a valuable opportunity for researchers, engineers, and practitioners to learn about the latest advances in these fields. The conference will also provide a platform for networking and collaboration.
