The melodies in this collection have been carefully selected to represent the diversity of Celtic music, from lively jigs and reels to haunting airs and ballads. Each tune is presented in both standard notation and tablature, making it accessible to players of all levels.

The book also includes a brief history of Celtic music, as well as notes on the individual tunes. This information provides context and background for

the music, helping players to appreciate its richness and depth.

The Tunes

The 46 tunes in this collection are divided into seven sections, each representing a different Celtic nation. The sections are:

- Ireland
- Scotland
- Wales
- Brittany
- Isle of Man
- Cornwall
- Galicia

Each section contains a variety of tunes, including jigs, reels, airs, and ballads. The tunes are presented in a variety of keys and time signatures, providing a challenge for players of all levels.

The Arrangements

The arrangements in this book are designed to be both playable and musically satisfying. The melodies are arranged in a way that is idiomatic to the mandolin, while still preserving the integrity of the original tunes.

The arrangements also include a variety of embellishments and variations, which can be used to add interest and personality to the music. These

embellishments are based on traditional Celtic ornamentation, and they help to create a truly authentic sound.

46 Tunes For Mandolin: Celtic World Collection Series is a comprehensive and authoritative collection of traditional Celtic melodies. This book is a valuable resource for mandolin players of all levels, and it is a must-have for anyone who is interested in the rich musical heritage of the Celtic nations.

Bonus

In addition to the 46 tunes in the main collection, this book also includes a bonus section of 10 additional tunes. These tunes are from a variety of Celtic sources, and they provide a further opportunity to explore the diversity of Celtic music.

The bonus section also includes a brief guide to Celtic ornamentation. This guide provides information on the different types of embellishments that are used in Celtic music, and it can help players to add their own unique flair to the tunes in this collection.
