Plot

Best of Luck is a story about Aaditi Sahni (Preity Zinta), a successful but lonely woman who meets Popat Shukla (Salman Khan), a small-time thief who changes her life.

Aaditi is a successful businesswoman who has everything she could ever want: a high-paying job, a beautiful apartment, and a loving family. But despite all of her success, she feels like something is missing from her life. She longs for someone to share her life with, someone to love.

Popat is a small-time thief who is always looking for an easy way to make a buck. He is not a bad person, but he is not particularly ambitious either. He is content to live day by day, taking whatever comes his way.

One day, Popat's path crosses with Aaditi's when he steals her purse. Aaditi is furious, but Popat is quick to apologize. He explains that he was only trying to feed his family, and Aaditi is touched by his sincerity.

Aaditi decides to give Popat a chance. She hires him to work as her driver, and the two of them quickly become friends. Popat is everything that Aaditi has been looking for in a partner: he is kind, funny, and supportive. He makes her laugh, and he makes her feel loved.

But their relationship is not without its challenges. Popat's criminal past comes back to haunt him, and Aaditi's family disapproves of her relationship with a thief. But through it all, Aaditi and Popat's love for each other only grows stronger.
