What is the Schaum Method Supplement?

The Schaum Method Supplement is a comprehensive harmony textbook that covers all the basics of harmony, from chords and intervals to voice leading and chord progressions. It's written in a clear and concise style, and it includes plenty of examples and exercises to help you learn the material.

What are the benefits of using the Schaum Method Supplement?

There are many benefits to using the Schaum Method Supplement for your harmony lessons. Here are a few:

- It's a comprehensive resource that covers all the basics of harmony.
- It's written in a clear and concise style.
- It includes plenty of examples and exercises.
- It can help you improve your chord recognition, interval recognition, and voice leading skills.
- It can help you compose and analyze music more effectively.

Who should use the Schaum Method Supplement?

The Schaum Method Supplement is a great resource for any musician who wants to improve their harmony skills. It's especially helpful for students who are taking a harmony class or who are preparing for a music theory exam.

How to use the Schaum Method Supplement

The Schaum Method Supplement can be used in a variety of ways. You can use it as a textbook for a harmony class, or you can use it as a self-study resource. If you're using it as a self-study resource, I recommend starting with the first chapter and working your way through the book at your own pace. Be sure to complete all of the exercises, and don't be afraid to ask for help if you need it.

The Schaum Method Supplement is a valuable resource for any musician who wants to improve their harmony skills. It's a comprehensive, well-written book that can help you learn the basics of harmony and apply them

to your own music. If you're serious about improving your musical proficiency, I highly recommend checking it out.
