The story follows Avery Blackwood, a young woman who has the ability to see ghosts. She's been able to see them since she was a child, and it's always been a source of both wonder and terror for her. When she was 16, her parents were killed in a car accident, and she was the only survivor. The ghosts of her parents have been with her ever since, and they've helped her through some of the darkest times in her life.

Avery is now 25, and she's finally starting to move on with her life. She's met a new man, Ethan, and she's fallen in love with him. But Ethan doesn't

know about her secret ability, and Avery is afraid to tell him. She's afraid that he'll think she's crazy, or that he'll be scared of her.

But when Ethan starts to see the ghosts of Avery's parents, Avery has no choice but to tell him the truth. Ethan is surprised, but he's not scared. He loves Avery for who she is, and he doesn't care about her ability to see ghosts.
